GAS HOSE

NEW INNOVATION FOR GAS

See page 2 & 3 for more details

Luke's Editorial

Cutting edge innovation

At Plumbers Choice we pride ourselves on being at the cutting edge of innovation. We love giving our customers the Trade Only advantage. Part of what we offer our customers nationally is instant access to plumbing innovations that make your lives easier.

This month we are proud to be offering new generation Extendo Gas Connectors. These connectors can be extended from 600mm to 1200mm. You will always have the right length of connector.

RIGHT ANGLED TEST PLUG

Cannot be lost down a drain

- The only plug to use when testing at a right-angled junction
- 100mm
- Improved design
- Cast aluminium
- No need to put your hand down the drain

Patented

Really good tool. Better than using the blow up bulb. Easier to get in and out.
Andrew J Robertson

A

Use it on every drain. Great handy tool that works well - very happy with it.
Josh at Inflow Plumbing Solutions

J

Saves me having to put my hand down the drain to tighten. Can't lose it either. Saves time.

You should trim the ends to your manometer hose regularly. Over time they stretch when attaching and detaching to manometers which can cause leaks.
