Luke's Editorial

Plumbers Choice has been proudly **Trade Only** since we first opened back in 1996. Shortly after that we started to produce the Plumbers Choice Trade Only Newsletter.

176 Editions later and it has become a staple to plumbers Australia wide, a regular on the dunny floor, a frequent on trade counters. While we have no doubt some may end up in the bin, to many of you it has become a ritual to flick through once you grab it out of your letterbox.

Despite so many religiously reading it, the message is still not clear, we still do not have a Trade Only industry.

We'd love to hear from you all, from those of you who support Trade Only but also from those of you who are happy to pay your licence fees and are subject to the bureaucratic overheads that plumbers have to deal with, just so you can support a supplier who will still sell to the public (Who not only costs you work but also profits by selling products to your potential customer.)

So we'd love to hear why you support trade only or why you don't and if so what more could be done?

LUKE BOLTON

STYROWEDGE

\$58.42

INC. GST
Code: 1222

*Great for fixing
downpipes
to foam walls*

NB. Ensure all penetrations are sealed.

**BAG QTY
50**

Step 1 Cut a 30mm slot, 50mm deep into the wall.

Step 2 Take 2 Styrowedge halves and join the smooth sides together.

Step 3 Insert the Styrowedge into the slot in the wall.

Step 4 Ensure the Styrowedge is flush with the finish of the wall.

Step 5

Place the downpipe and clip in position on the wall. Insert an 8-12 gauge screw into the Styrowedge and tighten into place.

Step 1 Items required - Styroscrew anchors, suitable 8g screw, Phillips driver bit, cordless drill.

Step 2 Using a Phillips driver bit, screw the Styroscrew into the polystyrene wall until the flange is flush.

Step 3

Place the clip or bracket over the Styroscrew anchor and secure with the metal screw you have selected

Quickie Kit

Connections to unit allow for height adjustment

Universal swivel fittings for sideways adjustment

Gas valve included 20mm

Kit comes complete with high performance tempering valve

24 Month warranty

Insulation & cable ties provided to comply with AS3500

Fit-off a hot water service in minutes!
Suits all instantaneous hot water services.

15mm outlet & tempering valve Code: 8300 | 20mm outlet & tempering valve Code: 8301

Andrew from AMT Plumbing in Bayswater said:

I recently tried the Quickie Kit on an install. I reckon it saved me at least 30-45 minutes. The insulation and cable ties included in the kit made for a nice neat finish. Everything I needed was there.
