Luke's Editorial

Plumbers Choice has been proudly Trade Only since we opened our doors. Only selling to licensed plumbers is not only our way to support the industry but our way to help the industry grow and protect its future.

The future of plumbing is in the next generation of plumbers' hands, so what better way to promote the plumbing industry to our future generations of plumbers than with a Christmas themed colouring competition!

To enter, simply send a photo of your next generation plumber with their coloured in front cover of this magazine to marketing@plumberschoice.com.au and place an order with Plumbers Choice before December 31st 2022.

A winner will be drawn on January 13th 2023 with a **\$50 Toyworld voucher** going to our next generation plumber and a **\$250 Plumbers Choice voucher** to their current generation plumber. So big kids, little kids and our industry are all winners!

Happy colouring and Merry Christmas!
