ALL WE WANT FOR CHRISTMAS IS A TRADE ONLY INDUSTRY.

What a year it has been in the plumbing industry. Plenty of plumbers have felt the pinch from the flow on effect of interest rate rises, multiple builders collapsing and cost of living increases. It's been a tough year for many which exemplifies the need to look after our livelihood and push for a Trade Only industry. Anything sold to a builder or the general public is money out of the plumbers' pocket through missing work due to a DIY job, or missing the opportunity to add your mark-up on supplies.

We here at Plumbers Choice appreciate all the support you have given the Trade Only philosophy and us throughout 2023. We wish you all a Merry Christmas and may 2024 be a great year for our industry and Trade Only!
