You Spoke we listened, Bringing you the latest innovations in PEX Clips

Plumbers Choice has long prided itself on helping bring innovative products to the market, anything that may make plumbers' lives easier, a job quicker or more convenient, is something we've always been passionate about. Working with our suppliers we are always first to put our hand up to push new items and have many Plumbers Choice exclusives due to these relationships.

We currently stock the largest range of PEX Clips on the market, with many exclusive to Plumbers Choice. Whether you're after a standard 16mm, 20mm or 25mm clip, a DualPex for (convenience and to save on waste) or innovative clips for those hard to get to places, with every type of fixing method under the sun, from masonry nails, nylon anchor tap ins, timber screws or self drilling hex heads, we've got you covered.

Many of these ideas come from you, the plumber. No idea is silly, whether it's big or small, we welcome innovation. Do you have an idea for a tool and don't know how to get it to market? Think a different screw would work in a Fastanog? Feel free to reach out and we may be able to point you in the right direction.

Jacko's Review

A Really good tool. Better than using the blow up bulb. Easier to get in and out.
Andrew J Robertson

J Use it on every drain. Great handy tool that works well - very happy with it.
Josh at Inflow Plumbing Solutions

K Saves me having to put my hand down the drain to tighten. Can't lose it either. Saves time.
