"Plumbers Choice's innovative products give me more time to go fishing!"

-Nat from Allthorpe Plumbing

This is the sort of feedback we love to hear at Plumbers Choice. We have long prided ourselves on bringing innovative products to the market. Tools & products that make a plumber's life easier, save them time, or just give the job a little bit more of a professional finish.

A plumber's time is money, whether you want to go fishing, spend more time with the kids or just knock off and get to the pub earlier, we hope some of these innovative items we have brought to the market over the years have made you realise what your time is really worth.

This is how I have been fitting shower outlets without damaging the chrome as can be easily done if using a spanner or multi-grips. It's a simple hack, just need a short bit of 15mm copper tube and a brass nut - and as you can see from the photos, it's a good tip!

Styrowedge

Great for fixing downpipes to foam walls

Step 1 Cut a 30mm slot, 50mm deep into the wall.

Step 2 Take 2 Styrowedge halves and join the smooth sides together.

Step 3 Insert the Styrowedge into the slot in the wall. Ensure it is flush with the wall.

Step 5 Place downpipe & clip in position. Insert a 8-12 gauge screw into Styrowedge & tighten.
