Looking to level up your plumbing game this year?

Make 2026 the year to support your trade by backing Trade Only. Not only do we protect the industry from DIYers and those pesky handymen, we pride ourselves on bringing new and innovative products to market, products and tools that make your job easier, quicker or just give your work a more professional finish.

We've got some big things planned for the year ahead with some major announcements to come, so jump on board Australia's first Trade Only supplier and stick it to those suppliers who will happily sell to your own customers, and undercut you if it means an extra buck for themselves.

Connections to unit allow for height adjustment

Universal swivel fittings for sideways adjustment

Gas valve included 20mm

Kit comes complete with high performance tempering valve

AGA **WaterMark** **24 Month warranty**

Insulation & cable ties provided to comply with AS3500

Andrew from AMT Plumbing in Bayswater said:
I recently tried the Quickie Kit on an install. I reckon it saved me at least 30-45 minutes. The insulation and cable ties included in the kit made for a nice neat finish. Everything I needed was there.

Fit-off a hot water service in minutes!
Suits all instantaneous hot water services.

Don't risk damaging chrome shower outlets with spanners or multi-grips. Use a short piece of 15mm copper and a brass nut, as shown in the photos. It's a great way to tighten the outlet without causing damage.
